What is UnitedSky?

UnitedSky is high speed wireless internet from United Services, a name you have trusted in satellite TV service since 1994.

Wireless internet works by sending radio signals from tower based transmitters to a small panel mounted on your home.

Why choose UnitedSky?

UnitedSky is 20 times faster than dial-up Internet service with no phone lines. Your computer is always connected to the Internet. UnitedSky wireless Internet is affordable with service starting at only \$39.95 per month.
